This impressive, as new street front 3brm 2bth villa sets high standards. From the street you can see there's been extra spent in delivering an appeal normally found in much dearer homes.

The kitchen with deep, wide and long stone tops is perfect for those that like to entertain friends. Open plan living is roomy enough to separate dining and living and accommodate really big furniture.

As well as three bedrooms, there's an additional storage/ computer room off the front entry. With front and rear courtyards your little furry friends can enjoy interacting with passers-by or can be safely tucked out back depending on your mood.

A short walk takes you to extensive parklands, schools, shopping and frequent public transport.
