14 Lady Lindsay Cove, Yanchep

## A Coastal Dream Come True

With the sparkling Indian Ocean in the west and Yanchep National Park five minutes away, this spacious three-bedroom, two-bathroom home is delightfully nestled between these two iconic attractions.

Surrounded by beaches, woodlands and hiking trails, just imagine the lifestyle you could lead! You could be swimming, snorkelling, fishing and surfing one day, cuddling koalas, caving and traversing kilometres of trails the next.

The incredible coastal location aside, this home is full of charm with a spacious open-plan living area surrounding the modern kitchen. A unique island bench clad with corrugated iron is the perfect spot for family and friends to gather before heading outside to the decked alfresco area, surrounded by private established gardens, thoughtfully laid out with pathways and garden beds.

The approach to the property is equally relaxing, with a curved tree-lined driveway and a welcoming front porch and entryway. The décor consists of hardwood flooring in the bedrooms and study, and neutral tiles in the living areas, while the walls feature pops of colour sympathetic to this coastal neighbourhood.
