13 Huxleys Trail, Burns Beach

Casual Coastal Luxury

Soak up the sun and the sensual sea breezes from this entertainer's dream

This warm and inviting family home has been exquisitely planned and combines impeccable design with a relaxed lifestyle. The layout has been exceptionally well thought out - all bedrooms are well separated, and there is additionally good separation between the living zones and the bedrooms. This is one of the largest single storey 4 bedroom 2 bathroom homes in Burns Beach with an impressive 242sqm of cleverly designed living space.

The spacious open plan living areas will impress with their high 31 course ceilings and solid blackbutt timber floors. There is a seamless integration of indoors and out, which adds to a general sense of space and light throughout. The seamless integration of the garden continues into the kitchen, which enjoys a charming corner window giving enchanting glimpses of the Aqua Technics solar heated pool and alfresco beyond. The design of the pool wrapping around the main living areas sets the tone for entertaining this summer

The undercover Alfresco area has been designed for year round entertaining with glass sliding doors and large windows wrapping around an alfresco garden with neat established and fully-reticulated garden and flower beds - unusually large for Burns Beach

Located just 2 minutes from the beach, coastal café and restaurants, walking
