Privacy and Perfection!

Tranquilly positioned to the rear of a long driveway and nestled behind security gates that makes it virtually invisible from the street, this hidden gem of a 3 bedroom 2 bathroom home has been impeccably renovated for modern low-maintenance living – and in a convenient location, too.

A stunning elevated entertaining deck with a shade sail greets you before you even step foot inside the property where quality crisp floor tiling – along with high exposed timber ceilings - grace a spacious and welcoming dining room, as well as the adjacent open-plan living and kitchen area. The kitchen itself has been revamped to a standard of the highest calibre, boasting sparkling stone bench tops, a breakfast bar for casual meals, sleek white cabinetry, tiled splashbacks, stylish electric cooking appliances and so much more.

All three bedrooms are carpeted for comfort, including a delightful master suite where split-system air-conditioning and a walk-in wardrobe meet an upgraded ensuite bathroom with floor-to-ceiling tiling, a rain shower head and a toilet. Out back, a spacious pitched patio doubles external entertaining options and will cater for most occasions – even leaving room for a bubbling outdoor spa (not included in sale) or even a relaxing day bed should you ever require it.

Superbly situated just footsteps away from the Barnes Street Early Learning Centre, within walking distance of Yuluma Primary School, sporting facilities at Yuluma Park, the Morris Place shopping precinct and The Saint George Hotel, only minutes from the freeway and public transport at Stirling Station and easily accessible to Scarborough Beach's multi-million-dollar esplanade
