33 St John Road, Wattle Grove

SPACIOUS 4x2 Family Home

This spacious family home on 600sqm block has so much to offer a growing family.

The master bedroom and ensuite is positioned at the front of the home, and features an ultra-roomy walk in robe.

The three minor bedrooms are all double size, 2 with built in robes.

The meals/living area is HUGE and will truly be the hub of the home. Plenty of room for a pool table, or turn one corner into a study nook.

The kitchen features stainless steel appliances, including a 4 burner gas cook top/electric oven and rangehood, as well as a walk in pantry.

Internally, the property has recently been painted throughout, and new carpets laid. The neutral colour palette will make decorating a breeze.

Ducted air conditioning will guarantee year round comfort.

The backyard has a garden shed and is also large enough to build a workshop or put in a pool.

Next to the double carport is additional room to park a work ute, caravan or boat.
