

Resort Style Coastal Living

4 2 2 602m2

Living in this stunning, resort-style home will feel like you're on holiday 24/7.

Every detail has been considered in the design of this property, from the cleverly zoned entertaining and sleeping areas indoors, to the separate pavilion overlooking the shimmering below-ground pool and sunbathing deck.

The master suite is pure luxury, featuring a chandelier light fitting, walk-in wardrobe, feature damask wallpaper, fully tiled ensuite (including double shower, stylish twin-vanity basins and a separate toilet) and access to its own timber-lined alfresco pool deck. Adjacent to the master suite sits a versatile fifth bedroom/home office, depending on your personal needs.

Upstairs, the reverse layout takes full advantage of breathtaking ocean views, with massive wraparound open plan living, dining and kitchen area. Timber floorboards add an aesthetic warmth to the space, complimented by the large cedar-lined balcony area, along with a series of stylish feature walls.

The super sleek kitchen has all the features we drool over in the Home Beautiful magazines - sparkling quartz stone bench tops, a breakfast bar for casual meals, double sinks, quality tap fittings, glass splashbacks, and quality stainless steel European appliances. A fully tiled powder room means no going having to go downstairs if you enjoy a few too many champagnes! White plantation shutters throughout add a 'Hamptons-style' feel to the home.

Additional noteworthy features include:

Ducted air conditioning throughout
