## Entertain in Style this Summer!

Welcome to 30 Sapling Way, Hocking, a lovely 4 bed 2 bath family home which outdoor entertaining enthusiasts will appreciate!

Set on a large 680sqm block with established gardens and shady trees, the home has 180smq of internal living and a massive outdoor entertaining space, plus additional room for a pool if desired.

The double door entry leads to timber-effect flooring throughout the main living areas of the home. The spacious master bedroom is carpeted and is positioned at the front of the home. It has a huge walk in robe and well-appointed ensuite.

The double-sized minor bedrooms are in a separate wing off the living area and are also carpeted, with built-in robes.

The formal lounge, also at the front of the home is perfect for those Netflix nights in, or as a separate zone when parents and kids are doing different activities.

The kitchen features a granite bench top and breakfast bar, with matching splashbacks, a 5 burner cook top, wall oven, microwave recess and double sink. The fridge/freezer recess will accommodate any size fridge with room to spare. Adjacent to the kitchen is a separate carpeted area which would have been originally designed as a formal dining room, however would be perfect as a home office or study area.

The central, open-plan living and meals area can easily accommodate an 8-10 seater dining table as well as lounge furniture. Keep warm in the cooler
