130 Hubert Street, East Victoria Park

Completely renovated Californian bungalow

Located less than 150m from the vibrant buzz of the Albany Highway restaurant and café strip, this stunning and modernised character home is situated on an easy-care 283m² block.

As you enter the front yard through a wrought iron gate, an exposed aggregate footpath leads to the stylish abode that awaits. Nestled in the front yard are an array of native plants and olive trees, providing a stunning setting to watch the sunset on the private veranda. A white picket fence and face-brick wall allows a secure and fully enclosed space to relax and unwind.

The original layout of the home has been altered to create a contemporary open plan kitchen, living and dining space with gorgeous Jarrah floorboards, quality downlights, feature fireplace and split system air-conditioner. The Schott Ceran cooking appliances are sleek and offset the country style kitchen with rustic splashback and hardwood countertop flawlessly.

Both double-bed sized bedrooms are found on the northern side of the home, the master has large wardrobes and an amazing outlook onto the front yard. The bathroom is adorned with exposed brass shower head, taps and pipes fitting together with the country style vanity.

The back wing of the home sports a rear entrance, full laundry, second toilet and a private, tranquil sleepout with a custom-built barn style door to ensure the utmost peace and quiet.

The property is conveniently located between Shepperton Road and Albany Highway in East Victoria Park, walking distance to every café and restaurant
