
Dinner and a Few Quiet Drinks

Within walking distance of cafes for the morning after breakfast and only a 3 minute cab ride to Mount Lawley with a smorgasboard of great restaurants, cafes and bars you will probably find your place will be the destination of choice for pre drinks and the after party.

This great 2brm unit is almost in the heart of the pulsing activity of Perth's best entertainment precinct and even though it was built in the sixties you wouldn't know it when you step inside your new home that has been perfectly maintained in readiness for you to move straight in.

You can feel safe on the top floor in this small community complex where everyone knows and looks out for each other. With some of the sixties character carried over in this groups nautical theme with the pool as a centre piece for each block and large open space the grounds make the perfect palette for the astute investor if you choose to get a little involved.

Very affordable and set on a large parcel of land with plenty of common area that you will also own a part of in one of Perth's high growth suburbs theres definitely room to improve your asset value just by choosing to take part in shaping the overall direction and maintenance of the complex. This will certainly please the family real estate expert as to how savvy your choice has been,
