4 Piermont Ave, Burns Beach

Hamptons-Inspired Coastal Retreat

No longer reserved for well-heeled New Yorkers with Long Island summer homes, this stunning property exudes the luxe Hamptons vibe we love, right here in Perth's northern beaches.

The relaxed and sophisticated style melds with rustic and beachy feels throughout this sprawling four-bedroom, two-and-a-half bathroom single-level home, with 283sqm living area.

The attractive rendered elevation features a triple car garage with additional off-street parking, double-door entry with hi-light window and honed-concrete driveway and portico entrance.

The light-filled master suite is at the front of the home and enjoys an outlook over the front gardens through plantation shutters. The walk-through 'his and hers' wardrobe leads to a resort-style ensuite straight out of Home Beautiful magazine, which is complete with;

- raked ceiling with downlights
- stone benchtops with twin recessed vanities
- deluxe adult-sized bath
- semi-frameless shower
- separate WC

Across the hall, and featuring a coffered ceiling and gorgeous florentine limestone fireplace with tiled hob, is the formal lounge - a beautiful space for reading, entertaining friends and relaxing. Adjacent is a study which might double as a nursery due to its proximity to the master bedroom.
