A little grandeur for not a lot of money

If you need more than one living area, a place where you can share easily with other adults or kids then perhaps this 3brm 2bth Townhouse could be the one for you.

All bedrooms are doubles with the master bedroom and ensuite on the ground floor. Also on this level you'll find the kitchen with stone tops and open plan living/dining with timber floors that says "bring all your friends, there's room for everyone".

At the top of the stairs the lounge and two double rooms with 2nd bathroom quite simply invites you to share or retreat for time out.

Two streets from the beach and a short trip to the boardwalk.
