

When three bedrooms aren't quite enough?

If you have a budget for three bedrooms yet need the extra room and bathroom for your growing family then this much loved 4brm 2bth may be what you need.

European crafted built in the early 70's at a time when the size of your family gatherings drove the need for a bigger lounge, dining and kitchen.

Whilst some of the original charm has been maintained as new there's also a fully renovated kitchen and ensuite. Under foot everything has been replaced so there is very little you will find to do.

Located a hop, skip and a jump away from buses, schools, shops and swim centres in a whisper quiet location.
