ACCESS DETAILS

Property is on the right-hand side, if you are looking at the front gate of the complex. Its best to park on the verge outside the complex, then enter through the pedestrian gate, a key will be on the agent set. The apartment is mid-way between the front gate and the pool. The front door is facing the road, therefore, when you are inside the complex, you will not be able to see the front door & numbering on apartment. I can provide a map if necessary, as this apartment is a bit difficult to find.
