Room to Grow in Prime Kingsley Location

Boasting a fantastic Kingsley location close to bushlands and great local schools, this property is neat and has been well cared for. With three bedrooms, one bathroom, a huge backyard entertaining area and generous living zones, this home offers so much potential for growing families, first home buyers and investors.

The front living room is a welcoming spot to relax at the end of the day, with split system air-conditioning to keep you comfortable year-round. You will appreciate the option to enjoy meals in the dining area just off the kitchen, and utilise the formal dining room as a home office, sitting room or playroom to suit the needs of your family.

You will love cooking with Westinghouse stainless steel appliances in the well-appointed kitchen, complete with ample cabinetry overhead and beneath the benchtops.

The master bedroom is roomy and has a walk-in robe, and direct access to the semi-ensuite bathroom. Bedrooms 2 and 3 feature built-in customised cabinetry for the kids' clothes storage. You will find an additional separate WC in the laundry, along with an external door to the backyard. An oversized shower, single vanity with basin and toilet makes up the bathroom.

You will be hard pressed to find another duplex property with this much space both in the front and rear yards. No matter the season, you will love entertaining beneath the spacious patio, ideal for a barbeque and outdoor furniture. The backyard is multi-level and bordered by established low maintenance gardens.
