Life's Simple Pleasures

A light-filled living space is brought to life with soft, clean colours and comfortable wall-to-wall carpet. From here, you can easily move into the kitchen or dining areas, or open the door to the fully paved alfresco which has a raised garden bed and plenty of space for outdoor seating. Beautifully clear windows make it easy to see what the weather is like throughout the day, and the sturdy pergola with high privacy fencing gives you the opportunity to entertain throughout the year.

This three-bedroom, two-bathroom home also features a tiled kitchen and laundry which are thoughtfully placed away from the master bedroom, and a double garage which is ideal for two vehicles or one vehicle plus a sizeable storage area. There is split-system air conditioning for temperature control and comfort, and a security grille on the front door offering extra safety for residents and guests.

This low-maintenance villa on 310sqm is part of a secure, gated complex within easy walking distance to the Woodvale Village Shopping Centre which includes an IGA, post office, hairdresser, pharmacy and a variety of takeaway options. The shopping centre sits alongside the 466 bus route which goes between the Whitfords and Joondalup train stations for easy and direct transport to major shopping centres and connections to Perth City or Mullaloo beach.
