

This home is calling out for a new family to...

Having been the happiest of homes for a family of five located in a cul-de-sac of great neighbours very near to Spoonbill Reserve this 4brm 2bth home will give you many happy memories too.

With every living area you could need from the lounge being stepped down from formal dining, something new homes don't have anymore.

Full family and meals off country kitchen is never far from the party whether it be formal dinners or bbq's outside with close friends. The patio safely shields you from the elements doubling as a great play area for the kids.

Separate games room that houses all the toys so they don't have to be scattered throughout the house

Neighbours are awesome and the street is safe even if your kids play out front like mine did.

Come and meet your new home this week.
