Unit 2, 29 Birdwood St, Innaloo

Contemporary Apartment Close to Shopping and the Beach!

Climb the property ladder by moving in or renting out – either way, this contemporary two-bedroom apartment will not last long!

Built in 2016, with 101sqm with practical living space, the internal layout and outdoor area give occupants space to enjoy being together and apart.

Bedroom 1 includes a mirrored robe, ensuite bathroom, and a split system air conditioning unit. Bedroom 2 has a mirrored robe for those with a taste for shopping at the nearby Westfield Innaloo or Karrinyup Shopping Centre. Both modern bathrooms have hand-held showerheads to make the most of morning rituals, semi-frameless screens, and heat lamps for consistent comfort.

Low-fuss communal areas make the most of an economical space, and the smart design of the galley kitchen optimises and organises the place without detracting from aesthetics. Plenty of sleek, white cupboards house high-quality Bosch appliances, and triple plate-glass windows offer fresh air and natural light. The combined lounge/dining area opens to the paved alfresco, and there's a small pet door installed for furry friends. This apartment also includes an internal European-style laundry and clothesline for day-to-day convenience.

A single car bay is included, and with Karrinyup Road and the Mitchell Freeway so close, getting out and about is simple. If walking or cycling is a better option, there are parks, sporting clubs, cinemas and Scarborough Beach within easy reach. Public transport is also available via bus connections and the nearby Stirling Train Station.
