system air-conditioning, double sinks, a breakfast bar for quick meals, a stainless-steel range hood, a five-burner gas cooktop, an under-bench oven and a sleek white dishwasher for good measure. From here, outdoor access to a terrific north-facing alfresco-entertaining deck is rather seamless. The sunken courtyard down below has custom benched seating and a shade sail up above for some protection from the elements. The artificial backyard turf is pet-proof and merely adds to the property's easy-care feel.

Back inside, all three minor bedrooms – including the king-sized third and fourth bedrooms – are carpeted and have built-in double robes. They are serviced by a light and bright main family bathroom with a shower and separate bathtub. Completing the package is a double lock-up garage for secure parking.

The home desirably falls within the catchment zones for Malvern Springs Primary School and Aveley Secondary College, whilst there is also convenient access to early-learning centres, lush local parks, more nature reserves and picturesque bushland walking trails. Weekends might include a quick trip to the new Brooklane Shopping Centre and its surrounding restaurants, or a round of mini-golf at The Vines Resort. Locally, there's more to come over the next few years, with the Ellenbrook Train Station, the community recreation and aquatic Centre and further additions to Ellenbrook Central Shopping Centre currently under way and not letting up any time soon. What an outstanding place to live!
