

WANTED: Five Star Tenant!

Coming to the rental market for the FIRST TIME EVER!

Owner occupied by a wonderful family for 17 years, this home has been loved and well taken care of by it's owners and so it's really important for us to find a *SPECIAL* tenant who is going to enjoy this home as much as they have!

Freshly painted, brand new window furnishings, no carpets, air conditioning in almost every room and a modern kitchen – this has all you need!

The backyard was used for growing fruit and veggies for the family..... so for the green thumbs, the soil is 5* for those wanting to grow their own veggies!

Just a short stroll to Jacana Park, in a quiet street, this home is perfect for a professional couple and their pooch's OR a young family!

We encourage cover letters with your application!
