This beautifully renovated east Booragoon residence is immaculately presented and exudes a restful Hamptons elegance. Boasting five bedrooms, three bathrooms and multiple internal living areas, it offers families both space and versatility.

Aside from the spacious guest suite/fifth bedroom, the ground floor is devoted to living and entertaining. Beautiful bamboo flooring flows throughout the internal zones on this level, with two interior living zones, including the expansive family room with a built-in bar and pool outlook and a separate lounge with a feature fireplace.

The designer kitchen leaves no stone unturned, filled with built-in storage, including wall-to-wall cabinetry in soft grey tones and a walk-in pantry. There's plenty of space at the breakfast bar, engineered stone benchtops and splashbacks, and a suite of premium stainless steel appliances, including a Miele dishwasher. There's an office at the front of the home, perfect for those operating home-based businesses or working 'hybrid' home/office hours.
