Offering low-maintenance industrial-style living and beautifully renovated throughout with a sparkling swimming pool, this is the one for those wanting to be close to where the action is.

Surrounded by leafy tropical gardens, the below-ground pool is only metres from your front doorstep and is the perfect place to relax and unwind in the summer – even after a long day at work. Beyond the front gate of the development, your own separate gate secures a delightful entry courtyard that eventually leads into a downstairs open-plan living, dining and kitchen area.

The bountiful natural light and polished concrete flooring makes an instant first impression, with warehouse-style metal beams and timber ceilings setting the tone. The updated and stylish kitchen plays host to ceramic-cooktop and oven appliances, a stainless-steel dishwasher, feature subway-tile splashbacks and a cleverly concealed European-style laundry.

Follow the winding staircase up to the first-floor master suite where timber floorboards, split-system air-conditioning and a high angled ceiling
