Unit 20, 1 Rowe Ave, Rivervale

Affordable Riverside Apartment Living

With the Swan River a two-minute stroll away, it's rare to find an apartment that is both affordable and stylish in central Rivervale. That is until you step inside this modern One-bedroom, one-bathroom ground-floor pad with an elevated outlook of the street.

Originally one bedroom, the owners created a second bedroom by dividing up the large open-plan living space into two rooms. This creative solution has not only added a second room, which can be used as a bedroom, office or lounge, but it has created a cosy space with plenty of room for a dining table and/or a small couch and entertainment unit. A funky window design in the second bedroom provides privacy as well as letting in ample light.

The modern kitchen presents another spot for dining at the breakfast bar and features stone countertops, a dishwasher, an induction cooktop, a wall oven, a microwave, plenty of storage and a glass splashback. The spacious balcony accessed from both bedrooms further increases your living, dining and entertainment space. Thanks to the sliding privacy screens, the balcony provides a secluded retreat with plenty of room for a BBQ and outdoor setting.

Occupying 87 sqm, additional features include timber flooring, reverse-cycle air-conditioning and a modern bathroom with floor-to-ceiling tiles and ample
