FRESHLY RENOVATED HOME!

This home is basically brand new inside having just undergone a complete renovation to give it a modern and updated feel. The paved driveway and single manual garage provide ample space for parking and storage.

As you enter the home, you are greeted with large glossy tiles that set the tone for the rest of the interior. The high ceilings in the living and dining areas create a spacious and open feel, while the brand-new renovated kitchen and freshly painted walls gives it that modern touch.

The kitchen also features high ceilings and sliding door that leads to a large, enclosed sunroom or games area.

The home boasts 3 bedrooms, each freshly painted and a single bathroom with new fixtures, including a new toilet and shower with a large shower head and modern vanity.

There is plenty of space outside in the backyard to make your own as well as beautiful trees in the front to give shade and privacy.
