

Dream Home Site with Development Potential

Auction Location: Online Auction

Keen to secure your slice of real estate in Perth's stunning Northern beaches? This superb 802sqm corner block includes a well-presented family home and the opportunity to prosper from its development potential!

With its solid brick and tile construction and amount of land, it's perfect for an extension and/or renovation. Alternatively, you can start from scratch and build your coastal dream home or develop the site into two green title lots.

The comfortable 1972-built home features four bedrooms (three with ceiling fans and built-in robes), one bathroom with a tub, and two separate living areas. The kitchen has been upgraded with stainless steel appliances, including electric cooking and a dishwasher, plenty of storage, and a direct line of view to the adjacent alfresco and rear yard, where there's no end of space for kids and pets to roam.

There's also abundant parking - the single carport has drive-through access for an extra vehicle or trailer, the paved hardstand for a boat or caravan, further space in the driveway and even the lawn for those larger-scale occasions!

This section of the northern coastal corridor is hard to beat and poised for continued growth! Enjoy proximity to cafes and restaurants along West Coast
