### Parkside Luxury - Brand New Designer Home

Enjoy a little luxury every day in this brand-new, designer home. With an idyllic parkside location, proximity to the coast and fantastic local shops on its doorstep, you'll want to move quickly to secure it.

Crafted from quality imported materials, the four-bedroom, three-bathroom street-front residence has been finished to a superb standard. Its contemporary façade of rendered and feature brick, timber panelling and high entry doors also includes a double lock-up garage and exposed aggregate paving.

Step inside, and you'll soon see that no stone has been left unturned. On the lower level, find a beautifully-appointed guest suite with a semi-ensuite bathroom, fully tiled with a semi-frameless rain shower and floating vanity, and a separate powder room accessible from the hallway. An impressive amount of internal storage space in the laundry, hallways, garage and under the stairs will keep everything in its place, and the handy shoe cupboard by the entry will ensure your glossy timber floors are well-cared for.

Expansive double-glazed windows and doors, and soaring shadow-line ceilings, create an airy sense of spaciousness and flow. The hallway opens into a vast open-plan living area, incorporating internal dining and a luxury kitchen. Here, find a suite of stainless steel Bosch appliances, stone benchtops, integrated microwave and under-mounted twin sinks with chic black tapware. Under-bench and overhead cabinets, soft-closing drawers and the double pantry provide all the storage you could possibly need!

Take your entertaining outside to the jarrah-decked alfresco under the home's main roof, via the oversized glass sliding door. Alternatively, enjoy time with your family and guests upstairs in the home's second living area - an enormous light-filled room fitted with a built-in bar/kitchenette, perfect for creating your favourite cocktails to enjoy outside with balmy ocean breezes on the balcony.
