North Coogee fr$1.35m Soon to be on the cover...

Lock away this elegant home off the plan at a wholesale price and choose your own styling to complete your turnkey package.

At its core a maritime theme has influenced the thinking behind this thought provoking design. Both ends of this 366sqm individual off plan home set on a 407sqm block are connected by the bridge which brushes alongside and above the pool and cabana.

A significant number of windows allow natural light to wash throughout and combine the indoor and outdoors seamlessly as one.

Separation of sleeping quarters with a central resort theme where everyone comes together make this design one that is as practical as it is elegant.

Your new home will be the first of this design that will most likely hit the cover of home magazines across the country once word gets out.
