Charming Bayswater Classic

Nestled in a sought-after riverside area of Bayswater, this beautifully preserved 3-bedroom, 1 bathroom character home offers timeless appeal, a functional layout, and exciting potential to add further value. With charming original features and a location close to parks, shops, and public transport, it's the perfect opportunity for first home buyers, downsizers, or investors.

Step inside and you'll immediately appreciate the high ceilings, solid timber floors, and ornate detailing that define the home's 1900s charm. A spacious living area at the front of the home flows into a modernised kitchen and meals space.

Both bedrooms one and two are generously sized and filled with natural light, while the central bathroom/laundry is neat and practical. Bedroom 3/study at the rear adds extra versatility to the property for working from home or as a kid's bedroom.

Outside, the backyard provides a blank canvas with endless potential. Whether you're dreaming of a landscaped garden, or entertaining zone, there's plenty of space to make it your own.

Situated just moments from the Swan River, walking trails, Bayswater Station and local schools, this is a rare chance to secure a piece of local history with lifestyle and location to match.
