Oversized 1-Bedroom with Street Entry, Lifestyle & Future Potential

Welcome to this stylish and versatile apartment in the heart of Rivervale. Offering a generous 59sqm of internal living space – much larger than most one-bedroom homes – this property combines modern comfort with future potential, making it an ideal choice for both homebuyers and investors.

Spacious & Functional Design

The open-plan living and dining area is filled with natural light, flowing effortlessly onto a private balcony – perfect for entertaining or simply unwinding. The well-appointed kitchen is finished with stone benchtops, Bosch appliances, and soft-close cabinetry, ideal for everyday cooking or hosting guests.

With its larger-than-average floorplan, this residence also offers excellent potential to reconfigure into a 2-bedroom apartment (STCA), making it a smart investment in one of Perth's most desirable inner-city locations.

Unique Ground-Level Convenience

Unlike most apartments, this property sits on Level 1 with its own private street entry – providing a welcoming feel and extra privacy. It's also ideal if you run a home business or receive clients, offering direct and easy access without going through the main building entrance.
