### Set it and Forget it!

Effortless living starts here. Designed for those who value freedom over fuss, this stylish 3 bedroom 2 bathroom low-maintenance haven makes coming home an absolute breeze.

Whether you're a busy professional, frequent traveller or simply done with endless upkeep, you'll love the easy flow, light-filled comfort and peace of mind that lets you live life on your terms. The residence makes for a fantastic investment property too, if you are that way inclined.

At the front of the layout, both spare carpeted bedrooms have their own built-in wardrobes – and are serviced by an adjacent main family bathroom with a shower, a sleek stone vanity and a toilet. It sits directly opposite a separate laundry for fantastic floor-plan practicality.

Also carpeted for comfort is a generous master suite that is separate from the minor sleeping quarters and impressively boasts a walk-in wardrobe, as well as an intimate ensuite with a toilet, shower and stone-vanity basin.

The spacious open-plan family, dining and kitchen area is light, bright, tiled and doubles as the functional central hub of the house. It features sparkling stone bench tops, double sinks, tiled splashbacks, a corner storage pantry, a dishwasher recess and modern stainless-steel range-hood, gas-cooktop and under-bench-oven appliances.
