## Vintage and Character Home

Ahsan from Xceed presents you this vintage home in Carine. From the moment you step through the lush front garden and onto the welcoming front porch, you'll already feel the homey vibes. This three-bedroom, one-bathroom home, built in 1976, exudes retro vibes and loads of space for families.

Featuring a formal lounge and dining room with a built-in bar, just think of the cosy nights you'll spend with your favourite people. A casual living and dining room complements the galley kitchen, while the games room with external access would make a great office, studio or teenager's retreat. A large, paved patio overlooking the terraced gardens is primed for alfresco dining as the warmer weather approaches.

By now, you'll already be building a picture of the endless potential on this generous 683sqm block. There are plenty of opportunities to capitalise on your investment, not to mention extending, adding some contemporary upgrades and reconfiguring the rooms to suit your requirements, whether you're a family, renovator, investor or a professional couple seeking a home in this peaceful suburb.

Think of the lifestyle this home brings. You're around the corner from the Carine Regional Open Space, where you'll find sporting facilities, natural parkland and extensive walking and cycling trails, plus you're close to the Stirling Leisure Centre (Hamersley) and Lake Karrinyup Country Club.
