### Modern, Low-Maintenance Living in a Prime Nollamara Location

This stylish and low-maintenance villa in the heart of Nollamara offers the perfect balance of comfort, practicality and modern living. Designed for easy everyday living, the home features three well-proportioned bedrooms and two bathrooms, making it an ideal choice for first home buyers, professionals, downsizers or investors looking for a property with strong appeal.

As you step inside, you're welcomed by a light-filled open-plan layout where high ceilings enhance the sense of space and create a warm, inviting atmosphere. The main living area is fitted with reverse-cycle air conditioning for year-round comfort, while LED downlights throughout add a clean, contemporary finish.

The central kitchen, living and dining area has been thoughtfully designed to flow seamlessly, making both daily living and entertaining effortless. Sliding doors open out to a private paved courtyard with a covered patio — perfect for weekend BBQs, entertaining guests or simply unwinding outdoors.

All three bedrooms are generously sized and include built-in wardrobes, offering both comfort and practicality. The master bedroom is complete with its own ensuite, featuring a double vanity to make busy mornings that little bit easier. The main bathroom is equally well-appointed, with floor-to-ceiling tiles, a separate bath and shower, catering to both relaxation and functionality.

Outside, the home offers the added benefit of two separate outdoor spaces. A secure, gated front courtyard provides a welcoming entrance and additional privacy, while the rear courtyard delivers a private entertaining area to enjoy all year round.
