

1, 45 Bushby Street, Midvale

Your friends will be green with envy

The attached photos are of an almost identical development in north street and are an accurate demonstration of how your new unit will be finished. This prestige 2brm 2bth apartment in a full security complex is finished to a standard that isnt seen in the region that often.

Complete in about six weeks, get in early and chose yours. The owners are so happy with how this development has turned out they are seriously considering keeping some of them so i can only guarantee one unit at this stage for sale however which one in the group you may be able to chose.

With the new hospital, Curtin University and regional police station being built in neighbouring Midland over the next few years i believe your unit value will increase significantly benefiting from these capital works projects that are well and truly advanced.

Owning a prestige and secure apartment in a prominent location that has very low strata fees is something that many in this region have tried to emulate but only a few have achieved. Here it has definitely happened.

Call me today to meet on site, i can even show you the display unit in a sold out complex so that you can take comfort in the finished product.
