Ground-Floor Living in the Heart of Leederville

Positioned in a quiet cul-de-sac within a small and peaceful complex, this well-presented 2-bedroom, 1-bathroom ground-floor unit offers low-maintenance living in one of Perth's most vibrant inner-city suburbs.

As you step inside, you are welcomed by a spacious living area, creating a comfortable central space for everyday living. The neutral décor gives the property a fresh and inviting feel, while brand-new LED lighting adds a clean, modern touch.

The kitchen is neat and functional, offering gas cooking and practical storage, making it easy to enjoy whether you're preparing a quick weekday meal or entertaining friends before heading out to nearby Oxford Street.

Both bedrooms are well-sized and include built-in robes, offering practical storage and flexibility for young professionals, downsizers, or first-home buyers. The combined bathroom and laundry are well designed for everyday convenience.

One of the standout features of this home is the large enclosed courtyard, providing a private outdoor space to relax, entertain or enjoy a morning coffee. When you're wanting a little more room to move, your own private access through to the adjoining park creates a rare sense of openness and lifestyle appeal that's hard to find in unit living.
