## Panoramic Plus

Sweeping views really don't get much better than this. Featuring two bedrooms with a shared balcony, just imagine savouring your morning with coffee while contemplating the day ahead with the city literally at your feet.

The open-plan living and dining with a wrap-around balcony takes the panoramas to another level, with the Swan River twinkling below. Cocktails at sunset are definitely on the menu, shaken and stirred in your contemporary kitchen with an island bench, filtered water and all the modern conveniences.

Your very own sky bath includes city vistas as you soak away the few stresses you would have living in this apartment. Especially since the property includes the stylish furniture.

When you're ready for sleep, the electric blinds provide all the privacy you need, and three split-system air conditioners help keep the temperature comfortable year-round.

Resort-style facilities include a communal pool, a well-equipped gym and a welcoming lobby. Not that you will need a car very often in this central location, but secure undercover parking is a bonus in any city.

You'll definitely get your steps in since Kings Park, Northbridge, Elizabeth Quay, Perth Convention Centre, Swan River, restaurants, theatres, shops, public transport and so many other attractions are within walking distance.
