

Modern City Living in the CODE Complex

Important: Please Read Before Registering

To enquire about this property or attend a home open, you must register your interest via the "Get in touch" button on the listing.

Registering through Snug ensures you receive all updates, including inspection times, cancellations, time changes and any important information relating to the property.

Simply adding the home open to your plan or calendar does not register your attendance and you may miss important updates.

Please note that you must inspect the property before applying. Snug applications will only be accepted once you have viewed the property.

** VIEWINGS**

Please arrive on time for your inspection. For properties within secure complexes, our Leasing Consultant cannot leave the home open to provide building access once the inspection has commenced so it is recommended that you arrive prior to the start time. Late arrivals may be unable to access the property and could miss the opportunity to inspect.
