4/21 Ocean Drive, North Coogee

THE BEACH IS YOUR BACKYARD

There are ocean view apartments and then there are apartments where the beach is quite literally at your door.

Welcome to 4/21 Ocean Drive, North Coogee, a rare ground-floor residence within the highly sought after, The Islands one of North Beach's most special and tightly held coastal communities.

This is coastal living without compromise. Step outside and you're moments from the sand. Wake to the sound of the and spend the afternoon between the beach and the resort-style facilities that make The Islands so exceptional.

This is what sets it apart: nothing quite compares to The Islands.

Behind its secure gates, residents enjoy beautifully maintained tropical gardens, expansive entertaining areas, two swimming pools including a heated pool, a fully equipped gym and sauna. It feels less like apartment living and more like having your own private coastal resort.

Inside, the apartment is equally impressive.

Unlike larger apartment complexes, the Islands was thoughtfully designed with fewer residents per level, creating a sense of space, privacy and exclusivity that is increasingly rare in coastal apartment living.

The generous open-plan living and dining area is designed to embrace the coastal surroundings, with ocean views and seamless connection to the outdoors. A large private courtyard out of the wind provides the perfect space for entertaining, relaxing in the sunshine or simply enjoying the incredible

And then there is the location.

South Beach, the dog beach, South Beach Recreation Reserve, cafes, restaurants, markets, the Fremantle Sailing Club and everything the Fremantle lifestyle has to offer are all within easy reach.

But the greatest luxury is the one you don't have to drive to.

The beach is right outside.

This isn't simply an apartment with an ocean outlook. It's a home where the ocean forms part of your everyday life.

Wake to the waves. Step outside to the sand. Come home to The Islands.

Some apartments offer a beach lifestyle.

This one delivers it.
