Tuart Hill

Are you seeking a top shelf investment with A...

You too can indulge in the benefits of these A class tenants that our client has enjoyed ever since owning this fully renovated 2brm unit in one of Tuart Hills most sought after complexes.

Whilst renovations were done a few years they still look current. The kitchen is like those that you would expect in much larger homes.

When you make time with me to view you'll probably see why this complex is always so popular and one certain thing is their class leading size.

The large private courtyards, undercover parking and spanish hacienda feel of the building makes this a unit complex that is as unique as it is popular which enhances its desirability.

Located perfectly to take advantage of public transport and convenience to all directions and i guess it starts to stack up as the perfect start into investment.

Whilst the current tenants are on a month to month lease at the moment they are keen to sign on with you for a longer term as this place is located perfectly for their work and managing their family life a little easier.
