Why wait for one to be built?

This impressive near new 3brm 2bth double garage villa has been restored to a shiny brand new standard.

The most impressive part of this street front villa is that two living areas are ready to embrace your need to find space from flatmate or partner.

There's a large yard at the rear that cares for itself being fully paved. Big enough that if you brought a dog home there's enough space to add a grassed area.

Ducted air con will cool you on those hot summer days.

A short walk takes you to extensive parklands, schools, shopping centres and frequent public transport.
