A few quiet drinks at yours ..

The Alfresco wraps around the side and back of your home making the perfect environment for a few quiet drinks and bbq all year round or just a dry play area for the kids.

Plenty of effort has been put into the landscaping in this mid sized 4brm 2bth home which coupled with the alfresco emerges as my favorite part of this very tidy home.

Not taking away from the inside with formal lounge, family, meals and games rooms all polished off by a brand new professional paint job throughout you'll get a home that gives you many expense free years of family living.

With street appeal in a very pretty and quiet street about 200 meters from a beautiful manicured park with lake and in the middle this would have to be one of the better spots in this well located suburb.
