## 6 Lauder Place, Kinross

### Looking for the right size without compromise?

No need to compromise in living space, there's a sunken formal lounge and raised dining where the furniture is big and everything is very comfortable. The family, meals and kitchen haven't been squeezed in moreover generously proportioned to find maximum space and function in this price range.

The games room can be shut off and adds that extra dimension that is not always available in homes of this era.

Extensive patio runs down the side of the home and outside the cabana houses a spa for a cool down in summer or in winter a warm up.

No compromise in the bedrooms either with the kids having space for a desk, beds and tallboys etc. Whilst not quite doubles they'll certainly work for some years to come.

School just down the end of the cul-de-sac, local shopping and public transport all within walking distance.
