

Unit 3, 30 Wroxton Street, Midland

Luxury completed apartment you can share with a...

2 1 1 94m2

Built by one of Perth's leading boutique apartment developers partnering with Mac Constructions which have undeniably set the standard in quality for the Midland region this will be an apartment that will make your friends green with envy.

Units 2, 9 & 10 sold in 2 weeks. One more has been made available with the developer likely to keep the balance of units in the short term.

The Seller is happy for the next sale to go to the apartment of your choice. View with me this weekend and see whether this one fits your needs.

Finished to a standard that others aspire to but never quite reach. With an uncommon depth of thought to the overall design and an execution in build quality usually seen in much larger homes, you will see why others have always scrambled to own an apartment from this developer.

Stone tops are some of the elements that will impress in the living areas. Dishwashers, air conditioning and alarm systems all included. Both bedrooms are seriously up-sized to easily accommodate queen sized furniture so sharing with a friend is a real possibility.

Call me today to arrange an appointment to view, you'll be blown away by how much better in every respect this apartment is than others that are more expensive.
