It begins with the master bedroom as you enter this property - including huge walk in robe and well appointed ensuite. The remaining two bedrooms are spacious and have built in robes. They have shared access to the main bathroom with bath, and separate toilet. The kitchen family and dining areas are open plan, and the shoppers entrance from the garage to the kitchen allows easy access. The appliances are all sleek stainless steel. A split system air conditioner will keep you cool throughout summer and warm in winter. The living area leads out into the low maintenance compact back yard.

Outside the gardens are fully reticulated, which allows you plenty of time to enjoy the al fresco area and easily maintained garden.
