I'm thrilled to bring this gorgeous family home to market. If spaciousness and open plan living are at the top of your 'must haves' you won't be disappointed!

The HUGE, tiled open plan living area invites plenty of natural light into the home, and is comprised of the kitchen, meals, family and games area. The extra roomy kitchen has quality stone bench tops and timber cabinetry (oodles of cupboard space), with stainless steel appliances.

Another spacious living area, previously what you might refer to as formal lounge and dining could be your theatre room or a games room for the kids, with room for small office/study nook as well.

The master bedroom suite at the front of the home is also light and bright, with lovely window treatments, split system A/C, a generous ensuite featuring floor to ceiling tiling, and a walk in robe. The three minor bedrooms all have built in robes.

Outdoors there is a fantastic covered alfresco area, and as this property sits on a whopping 752sqm there is also plenty of room for the kids and dog to run around! The gardens are neat & reticulated, and there is also a large shed to store your bikes/tools etc.

Other note-worthy features of this property include:

- LED downlights throughout
