Unit 3, 276 West Coast Highway, Scarborough

BAM & It's Under Contract!

This impressively-revamped 2 bedroom 1 bathroom villa commandingly sits at the front of a charming seaside complex of only seven other residences and is nestled within walking distance of popular Brighton Beach and the newly-developed Scarborough Beach food and entertainment hub on The Esplanade – making it the perfect coastal downsizer for all involved.

Once inside the security and privacy of a gated driveway entrance into the complex, there are two additional gates that access the property's sunken and spacious entertaining courtyard – one off the side footpath and another overlooking the shady common lawns.

An airy open-plan living, dining and kitchen area welcomes you internally, with double doors allowing for a seamless indoor-outdoor integration between the main hub and courtyard itself.

Both bedrooms find themselves adjacent to the living space, including a larger master that is infused by natural sunlight and boasts a ceiling fan, split-system air-conditioning and its own double courtyard doors – ideal for letting the sensual sea breezes filter through if left open.

Making the most of the floor space on offer is a quality bathroom-come-laundry that has been impeccably renovated to include twin stone-vanity basins, a shower, separate toilet and direct courtyard access to the drying area.

Just a short stroll away from cafes, restaurants, nightspots and the newly-opened Scarborough Beach Pool for the public, this stylish modern home
