

17 Palmerston Street, Northbridge

CITY SOPHISTICATION

Open floor plan dramatizes versatile interior. This three storey home with mixed use zoning and 2 street frontage just off Russell Square offers a degree of flexibility seldom achieved. A great opportunity to live and work from the same premises. The standard of finish has to be seen to be believed. Granite and marble abound. The water feature (3 storeys high) beggars belief. The spaces could cater for a billiard room, home theatre, formal living with a choice of kitchens all in a climatically controlled environment.
