Kitchen made for a Master Chef!

Built by a small boutique builder for family, the quality of workmanship and thoughtful design is evident in this lovely home.

Be your own Master Chef in this kitchen which offers superior storage, stone benches, plus 900mm oven and cooktop.

An expansive open plan living area flows from the kitchen, giving a feeling of both spaciousness and inclusiveness.

Step through double doors into a theatre room offering a separate entertainment zone when there's a scheduling conflict on TV, yet opens up when entertaining dinner guests calls for it.

With the open living spilling into your alfresco, you could be forgiven for thinking you live in a much larger home than what is normally expected on 307sqm of land.

The master bedroom features a generous ensuite with double shower & vanities, and walk in robe.

Every inch has been utilised to deliver a home that you won't need - or want - to leave for a long time to come.

If you work in Wangara you might even be able to walk to work. Everywhere
